### Superintendent's Highlights

With the commitment and support of the Caldwell community, we were able to open the new Caldwell High School and a dramatically remodeled Syringa Middle School. These transitions also allowed for the opening of the new Wilson Elementary School in the old middle school building.

With the on-going efforts of our instructional staff we have had a continuing improvement of DWA writing results. Our math curriculum committee completed their K-12 curriculum and the adoption of a math textbook series.

Mid-year we initiated a reading initiative with our K-5 students and staff. The focus of our efforts is to have all students reading at or above grade level no later than the end of the 1998-99 school year.
